Foreword

In this presentation of the sixth Florida N. & I. M. C. annual is a panoramic view of this great institution. Starting as the Florida academy in 1892 this institution has evolved from a normal school of a few students and a plant valued at several thousand dollars to a four year "A" rated college with a million dollar plant and an annual enrollment of over 500 students.

From the beginning of her history, Florida N. & I. M. C.'s capable leadership has determined the continual progress in the phenomenal development of this institution, Dr. Gilbert and Dr. Collier laid the foundation upon which the college reflected the greatness of the potentialities now being developed.

From 1950 up to the present time President R. W. Puryear has been at the helm. Realizing that the progressive Philosophy of education insists upon an increasing awareness that new times demand new measures. President Puryear instituted the ten year plan with a long range formulation of curricular provisions and physical expansion for Florida N. & I. M. C.

Through its program of education in service, the Florida N. & I. M. C. now provides for her constituency course offerings in the field of religion.

Education at Florida N. & I. M. C. will continue to challenge educational endeavor in the fullest possible development and utilization of the capacity for leadership.

It is to the realization of this hope that the Florida N. & I. M. C. annual will seek to contribute as a record for our wonderful year spent here.

Perusal of the pages will always carry our thoughts back to the administration, faculty, our classmates and the extra-curricular and social affairs enjoyed beneath the moss hung trees. We are to never forget this "Normal" we know not in '56. Foremost in our minds will always be the fact that of "Gods" greatest works on earth we have Florida N. & I. M. C.

After we have completed our course here at the college and the years have rolled on, our classmates have disappeared; we may give a sigh.but from time to time we can pick up our annuals; for the camera has captured the heart warming beauty and magnified the flourishing thought, of our fond past.

Dedication To The Board Of Trustees

To our trustees, who upon foundations laid by the pioneers labor to build a superstructure adequate for the educational needs of this and succeeding generation of youth.

To these noble men and women, who though busy in their own individual fields of service take time to meet and plan and thus set in motion the vital forces which, directed by Administration make possible the continuing program of our beloved College.

To these devoted Christian leaders, who working behind closed doors, their efforts largely unacclaimed, their faith never faltering seek to give substance to their dreams.

We dedicate this book in gratitude and love.

THEE WE PLEDGE OUR LOY-AL-TY AND DED-I-CATE OUR LIVES TO YOU.

REFRAIN

FLOR-I- DA NOR-MAL, FLORI-DA NOR-MAL, HOW WE LOVE TO SING THY PRAISE!

WE'LL BE LOY-AL, EV-ER LOY-AL, AND FOR THEE OUR VOI- CES RAISE.

COPYRIGHT, 1942

Tribute

Mrs. B. H. Puryear who serves in the capacity of director of education, came to our campus in nineteen hundred and fifty, with her husband, President R. W. Puryear. During her six years here, she has been of service to our school, its students and the community. She carries a full time schedule, being the FIRST LADY, with the responsibility of promoting the social and Civic life which goes hand and hand with the President's work.

Because she has given guidance and help to numerous students as sponsor of many activities which promote ideal student life, and because she is a splendid example of all that is fine and admirable; because we love and appreciate her. Because of her never tiring guidance and assistance to the year book staff, we the members of the year book staff take this opportunity to pay tribute to Mrs. Puryear, because she is just grand.

Let the words of our mouths and the meditations of our hearts be accepted in thy sight. . . . oh Lord, our strength and our redeemer.

Florida Normal, being a Christian institution has set aside a moment each day for silent meditation.

Each day at twelve o'clock noon there is the sounding of a bell, this bell is identified as the Prayer bell. At the sounding of this bell, we bow, no matter where we are on campus, and no matter what we are doing at the time. . . .to give thanks to our creator.

This is a religious tradition of the college.that we.

"Be Still and know that I am God".

Rev. E. J. Minnfield, presents \$425 check from National Baptist Convention, President Puryear, Rev. J. C. Sams.

Rev. Edward T. Graham speaks to Student body during chapel hour. President Puryear, Rev. J. K. Satterwhite, Al Dunnmore.

Mother Christine Valentin and Dr. L. T. Lowrie

Mother Valentin and Dr. Lowrie knew that living was a problem- a great job. They knew that life was a problem because they lived as if life to them was a gift from God. They also knew that life was a difficult task because of the struggle of good to triumph over evil. That "good sustained" the ever evident in their conversation and their work.

We therefore will always remember the love and devotion that both of these, our friends have contributed toward our wellbeing, and we know that the only way to repay them for some of the wonderful things they have done for us, is to strive hard and do likewise the things they have done.

We Pray: Oh, Thou great Master of Love, lay on us Thy tender hand of mercy, Thy continuing strong hand of protection.

The President's Message

Dear Seniors:

In leaving the halls and campus of this institution in this the 64th year of its existence you become a part of the LIVING CHAIN OF GRADUATES, who bound together by memories and loyalties have ventured out into avenues of a broader life for which their experiences and tutelage have prepared them.

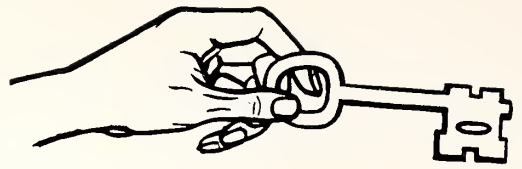

To you of this class of 1956, facing truly a new day in our country and the world, I would bespeak courage and sincerity and faith. As you have day by day paused at the silver tone of our prayer bell sounding across the campus, in classroom, and hall, may you ever and again pause to seek guidance that you may reflect honor upon your Alma Mater, and so live and work among your fellowmen that Justice for All and Peace and Love of God may constantly increase.

Sincerely yours,

R. W. Puryear

THE ADMINISTRATION

The personnel that guides the college in its overall policy and the everyday functions necessary toward giving the students the best possible in every sense. The people who have the college and the students at heart in all of their decisions.

CLASSES

Senior Class History

On September 5, 1952 a group of enthusiastic young men and women full of pep, vim and vigor--- eager to please and comply with every rule of F. N. & I. M. College. This, one of the largest Freshman Classes in the history of the College, embarked on its voyage of four years of storm and peaceful weather. Many problems confronted this class, as they have all other Freshman Classes. For this reason a considerable amount of thought had to be put into the election of capable class officers in order to carry forth the work of the class and at the same time, try to make it an interesting one. In the first class meeting, under the leadership of our advisors Mrs. Puryear and Dean Smith, the destinies of the class were put under the guiding hand of Willie Fisher, President. Assisted by Leroy Alexander, Vice President, Catherine Brown, Secretary; Thomas Blue, Treasurer, and James Dupree, Chaplain. That year the class had the desire and evidently the ability to win everything. Enthusiasm ran high that year and has scarcely abated since. During this year we were instrumental in helping the sophomores in their victory of electing Miss Florida Normal.

September, 1953-- Back to the old Alma Mater with more vim and vigor than was good for a class of "Sophs", the uppermost thing in our minds was--- what will the "greenies" look like this year, and be ready to groom this "raw material". During our Sophomore year we gave a most successful play under the direction of Mrs. Puryear. "Here Comes Charlie", we consider it our best presentation. The characters were, James Day, Alta Crosby, Arnold James, Milton Stewart, Lois Baker, Thelma Oxendine, Abraham Johnson, Betty Henderson, Thomas Brown, Hannah Bullock. We made Maeola Henderson Miss F. N. & I. M. C. and reigned supreme in dramatics.

During our Junior year we saw many changes take place in our class and many physical changes on the campus.---- On our return, the library was twice as large with an ultra-modern addition of a conference room, rest rooms and stacks. We could not believe it when we saw the lounge for women in Anderson Hall, but we had lost our class president and other faces; Fisher, Postell, Rose, Thomas Brown. With mingled feelings of gay and sadness-- we started our year of "idealism". We realized that our losses had been compensated by the addition of such outstanding members to our class as Vannette Schank, Alice Anderson, Bessie Jones, Isabella Adams and Joseph Salley.

Increasingly difficult studies and positions of responsibility in extra-curricular activities were claiming the attention of the class, but keeping its pledge to perpetuate the time-honored traditions of the student body, the Junior-Senior Prom was dutifully sponsored. Funds were lacking as usual, but the spirit was strong, so the Social Committee gave the seniors a big time on the evening of May 19, 1955, with no qualms of inadequacy to mar the occasion. This year our class officers were: President, Arnold James; Vice President, James Day, Secretary, Thelma Oxendine; Treasurer, Thomas Blue; Miss F. N. & I. M. C., Ida Logan.

The campus really belonged to us this year! Not from the point of view of a braggart, but from the point of view of one who has earned it. During our stay we sent two queens to reign over F. N. & I. M. College; and one to reign over May Day----- We gave two plays --- a prom and Class Night.

As the time of commencement draws near the desire for "something to remember you by" becomes more pronounced; so we look forward to keeping the "Arch" year book through the years.

There is apparent gayety on the campus, but beneath this there is a sad note which is occasioned by the fact that the class of '56 is poised with just the toe of commencement's boot needed to enlist it into the ranks of the alumni.

So we come to the end of four short years. Years choked full of happenings, replete with happy memories and lasting friendships. The seeds of wisdom and spiritual freedom are duly sown and only the future can decide the extent of the harvest.

Commencement, the beginning, is at hand. As we strive to - ----- live our lives to the fullest, we shall find consolation in knowing that we have behind us an Alma Mater in whose memory we find a spring of pleasure.

Student Council

The Student Council consists of a representative of each major campus student organization. Its function is to act as a liaison agent between the Administration and the students. It mediates at the hearing of minor disciplinary problems, sponsors all major student projects, activities, and drives, and is directly responsible for welfare in general.

Thomas A. Blue, President, Jefferson W. Jones Jr., Vice President.

Debating Society

President, Jefferson W. Jones Jr.

Future Teachers of America

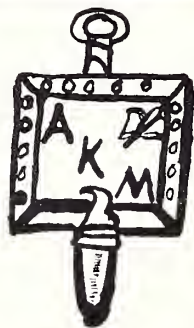

This organization seeks to develop among young people who are preparing to be teachers and organization which shall be an integral part of state and national education association. Isaac Houston, President.

The college choir is under the direction of Dr. H.R. Carstens.
Leroy Alexander, President.

Dramatics Club is designed to give students the experience of participation in dramatics.

The college forum is designed to stimulate interest in current issues of national and international significance. It provides for serious thinking and experience in self-expressions.

Thurley Brown, President.
Leona Burns, Secretary

The Y.W.C.A. and Y.M.C.A. of our campus are aiming to promote voluntary Bible study. They are the world's Student Christian Federation. Through its campus and community projects it seeks to enrich the lives of young men and women.

WOMEN'S SENATE ORGANIZED

On Monday, October 10, at the regular chapel hour the Women's Senate of the college was presented to the student body and faculty. This organization is composed of representatives from the women's dormitories and the Commuters Club.

The following officers were presented: President, Miss Ella P. Giles, of Jacksonville, Florida; Vice President, Miss Carrie Owens, West Palm Beach, Florida; Secretary, Miss Betty Payne, Ft. Pierce, Fla.; Assistant Secretary, Miss Geneva Macon, West Palm Beach, Florida; Treasurer and Business Manager, Miss Ida Logan, Jacksonville, Fla.; and Reporter, Miss Ethel Gaines of Jacksonville, Fla. Representative to the Student Council, Miss Shirley J. Speights of Marianna, Florida; Faculty Sponsor, Miss Ernestine Brazand. The main address was delivered by Mrs. T. G. Freeland, an alumna of the College and National President of the Alumni Association. The speaker was introduced to the college family by the first lady of the College, Mrs. B. H. Puryear. Mrs. Freeland stated "Each student has a part to play in contributing to the success of the College." — "If you wish to have a successful college life," continued Mrs. Freeland, "you must have (Continued on Page 6, Col. 2)

Acknowledgement

The task of compiling a college annual is a nerve-racking and an exacting one. It is humanly impossible to produce a book, such as "THE ARCH", without help. Hence, we wish to express our deepest feeling of gratitude. . . To all who made the publication of the 1956 "ARCH" possible. . . To our PRESIDENT, for granting permission to publish this annual . . . To all OFFICE PERSONNEL for their interest and co-operation. . . To our ADVERTISERS and SPONSORS for their loyal, generous support. . . To the YEARBOOK PRINTING COMPANY for splendid cooperation and service. . . To the PHOTOGRAPHER. . . To the FACULTY and STAFF for their interest. . . To THE STUDENT* BODY, we offer congratulations. . . Special thanks to our ADVISER, whose untiring efforts were priceless and made the work less difficult by assistance in editing and compiling this book.

SERVANTS SCHOOL

Way back when Mom and Dad were graduating, I was just beginning to learn of all the ways I could help around the home.

Now, I've received my diploma as a full-fledged, all-around Household Helper. The list of things I do to help you enjoy life is many times longer than it was 25 years ago. What's more, my average hourly wage for helping with homework is just about half what it was then.

Reddy Kilowatt

FLORIDA POWER & LIGHT COMPANY

A photograph of a building with a textured, light-colored facade. The building features a series of large, arched windows. The first two arches on the left show interior views of trees and plants. The third arch contains a dark, possibly closed door. To the right of the arches, a rectangular sign is mounted on the wall. The sign has a dark border and contains the text 'FLORIDA' on the top line and 'INDUSTRIAL' on the bottom line. The building is set against a background of trees and a clear sky. The overall image has a slightly grainy, vintage quality.
